

Science Direct- Quick Start Guide

Full text access to over 70 peer reviewed journals in a wide range of subject areas, including education, health, business & management and the social sciences. Abstracts for over 1800 journals can be searched, **although full text access is limited to those titles we have selected and paid for**. This guide will help you to limit your searches to content we have subscribed to and to print, email or save the articles you find.

Help

If you need any help while using the database click on 'Help' in the task bar at the top of the screen. This will take you to a help page that is relevant to the part of the database you are using.

Please note you will not have access to all the resources in Science Direct only the journals that we have paid for. You can view these journals **alphabetically** or by **subject**. (We do not subscribe to any books.)

You can view Favorite journals once you have selected some. To select journals as favorites, browse alphabetically or by Subject to find relevant titles, select the checkboxes for the titles you are interested in, and click **Apply**.

To make sure you are only viewing the journals we have paid for, select '**Full Text available**' and '**Journals and Book series**'.

Please note that complimentary copies(usually only 1 issue) are also included in this, so in the display of titles please click on the key symbol  to view the years covered.

Type your search terms into the box.
You can combine your search terms using the Boolean Operators AND, OR and NOT. You can use the boxes on the right to restrict your search by fields such as author or journal title.

To restrict your search to full text journals click on the **Journals** tab (1) and then select subscribed journals from the **Source** menu (3.)

You can also limit your search by Subject (4) you can select more than one subject by holding down the ctrl key. You may want to try limiting your search by subject if you have too many results which seem irrelevant to your topic.

Dates (5) Clicking All Years searches all the years in the database, but you can also limit to a date range using the drop down menu.

Remember you can get help within the database by clicking on 'Help' on the right hand side of the page, or you can contact the Online Library by phone on +44 (0)20 7862 8478 between 9.00am and 17.00 BST or by email on OnlineLibrary@shl.lon.ac.uk
